

Premium Industrial Chocolate

Real in Every Drop

We supply industrial chocolate built for professional use. Our products are made at our modern facilities in Konya, Türkiye.

CHOCOLATE MADE FOR PRODUCERS AND USERS

No compromise on standardization

In our technology-equipped factory built for professional production, without compromising on standardization, we offer everything from drops to block chocolate as **finished goods**, from powder to liquid as **semi-finished**, premium industrial products under the VEBERRO brand.

Any scale, same result.

WHO WE PRODUCE FOR

We produce for makers of chocolate products, sugar confectionery, baked goods, ice cream and powdered beverages, and for professional chefs in the out-of-home (foodservice) channel.
